Insurance Company Price Update Interface

Price Update

The screenshot shows a software interface titled "URMS" with a toolbar at the top containing icons for Home, Logout, and other functions. A main menu bar has "File", "Edit", "View", "Insert", "Format", "Tools", and "Help". Below the menu is a sub-menu for "File" with options like "New", "Open", "Save", etc. A "Price Update" button is highlighted in the menu bar.

The central area contains a "Price Update" form with the following data:

Order #	Insured amount	Qty (mt)	Unit Price (US\$ / kg)	Cost (US\$ / kg)	insurance
1001100059-1	0.00	30000.00	2.090	1.890	<input type="checkbox"/>

Below the form is a "Notice Board" section with a timestamp "123 2000-12-18 12:40:30" and a "Counter bid / Message to us:" text input field with "Send" and "Clear" buttons.
